Don't Be Surprised by the No Surprises Act

Spencer Fane attorney [Stacy Harper](#) will present an upcoming webinar covering the Federal No Surprises Act that goes into effect on January 1, 2022.

The No Surprises Act will change the way that health care providers interact with uninsured and out-of-network patients. Stacy will focus on the initial requirements and impacts to health care providers and facilities.

This presentation will cover:

- Requirements under the No Surprises Act
- Review the notice requirements for uninsured and out-of-network patients
- Develop strategies for the provision of the good faith estimate
- Analyze the notice and consent process for out-of-network services
