Jeremy Rucker to Examine Cyber Risks Impacting the Healthcare Industry

Spencer Fane attorney [Jeremy Rucker](#) will examine urgent and emerging cyber risks impacting the healthcare industry on an upcoming panel hosted by USI Insurance Services on October 11.

During the event, [Healthcare Industry Cyber Market Update](#), Jeremy will share relevant insights surrounding timely case studies and the future of health information privacy and security. Jeremy will be joined by USI's Stuart Freeman and David Hallstrom.

At Spencer Fane, Jeremy leads the incident response team and focuses his practice on information privacy, security, and incident response issues. He regularly helps companies of all sizes navigate the complex and rapidly evolving state, federal, and international laws and regulations governing information. Jeremy is certified by the International Association of Privacy Professionals as a Certified Information Privacy Professional in the laws of the United States (CIPP/US) and Europe (CIPP/E). Jeremy is also a Certified Information Privacy Manager (CIPM – IAPP).
