Jeremy Rucker Weighs Pros and Cons of Outside Counsel During Cyber Incident

Spencer Fane attorney [Jeremy Rucker](#) presented at the 2022 Essential Cybersecurity Law, an event hosted by UT Law CLE, on July 27 in Austin, Texas.

The one-day, extensive program is designed to walk through key legal issues relating to breach preparedness and response. Shawn Tuma served as a member of the event planning committee.

During his presentation, [Protecting Privilege? The Evolving Role of Attorney-Client Privilege in Cybersecurity Incidents and Responses](#), Jeremy analyzed the advantages and limitations of including outside counsel during incident response.

At Spencer Fane, Jeremy focuses his practice on cybersecurity and data privacy issues, spanning all industries, including healthcare, manufacturing, technology, and financial services. With vast experience assisting hundreds of clients in addressing cybersecurity and data privacy issues including incident response, compliance, and cyber risk management, Jeremy has the breadth of knowledge and experience needed to ensure client needs are thoroughly and efficiently met.
