Shawn Tuma Explains How to 'Fortify the Firewall' in ABA Webinar

Spencer Fane attorney [Shawn Tuma](#) was a panelist for an American Bar Association (ABA) cybersecurity webinar on October 31.

During the session, Fortifying the Firewall: Cybersecurity Best Practices for Law Firms and Their Clients, Shawn and his fellow presenters offered cutting-edge insights and strategies in cybersecurity. They discussed privacy laws, industry trends, law firm-specific threats, advising clients, and business continuity.

At Spencer Fane, Shawn helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small to midsize companies to Fortune 100 companies, across the U.S. and globally in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
